Attorneys for Plaintiff and the Settlement Class

**UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN FRANCISCO DIVISION**

JANE DOE,

Plaintiff,

v.

ROBLOX CORPORATION,

Defendant.

CASE NO.: 3:21-cv-03943-WHO

**POST DISTRIBUTION
ACCOUNTING**

Honorable William H. Orrick

Pursuant to the Northern District of California's Procedural Guidelines for Class Action Settlements and the Court's order granting final approval of the Class Action Settlement in this matter, Plaintiff submits this post-distribution accounting relating to the distribution of settlement funds to the Class.

The information required by the Procedural Guidelines is set forth in the table below, and to the extent necessary, was provided to Plaintiff and Class Counsel by the Settlement Administrator (“Simpluris”) and Defendant Roblox.

Certain information is not yet available. Specifically, as of earlier this month, approximately \$665 worth of check distributions have not yet been cashed and 20 digital payments totaling \$1,136.91 could not be processed. However, it is possible processing will be successful before May 10, 2024. In the meantime, Simpluris is contacting individuals associated with unprocessed digital payments, which may result in additional redemption before the deadline. Afterwards, per the terms of the Settlement, unredeemed cash awards will be automatically redistributed to the associated Class Members’ Roblox accounts as Robux. *See* Dkt. 54-1 ¶ 3.3.9.

² This minimum disbursement is less than \$10 because a single class member had multiple Roblox accounts and selected different payment methods for each account. Accordingly, while the total value of their claim was \$19.21, rendering them eligible, one of the chosen disbursement methods resulted in the \$0.06 disbursement.

1 Now that the settlement administration plan is nearly complete and virtually all Settlement
2 Class Members have received the relief to which they are entitled, Plaintiff respectfully requests
3 that the Court authorize disbursement of the balance of the attorney's fee award, of \$500,000.
4 Should the Court have any questions, Plaintiff is prepared to appear at the May 7, 2024 case
5 management conference to address them.
